Get your **PADI diving certification** even if you're under 15! Start your PADI Open Water Diver Junior course with **Evasioni Blu Diving Ustica - Palermo (Sicily)**.

If you've always wanted to learn to dive, discover new adventures or simply are curious to see the incredible world full of colors and life that lies beneath the waves, **it all starts here**. You can take part in a real *diving course* and have the opportunity to dive and discover the wonderful underwater world in total safety. Trust the experience of **PADI Evasioni Blue Diving instructors** and introduce yourself to the underwater world in the most fun, simple and safe way.

The PADI Open Water Diver Junior course follows the same program as the *PADI Open Water Diver course*, limiting only the maximum depth to 12m. Our PADI instructors will optimize diving equipment and the part of knowledge development during the PADI Open Water Diver Junior course based on the diver's age.

PADI Open Water Diver Junior program

During your PADI Open Water Diver Junior course you will learn the use of **diving equipment**, how to plan and perform real dives and how to prevent and manage problems. The PADI Open Water Diver course is divided into three main parts:

1. Knowledge Development (online with individual study or in the classroom), to understand the basic principles of diving.
2. Five lessons in confined waters, where you will learn the basic skills of diving.
3. Four lessons in open waters, to revise your skills and explore.
