

PADI Deep Diver

The lure of the deep. There's something exciting and mysterious about exploring deeper dive sites while **scuba diving**. Sometimes it's a wreck that attracts you below 18m, and on wall dives it may be a giant fan or sponge. Whatever it is, to scuba dive with confidence at depths down to 40m, you should take the **PADI Deep Diver Specialty course**. Book yours with Evasioni Blu Diving Resort in **Ustica** and **Isola delle Femmine** (Palermo, Sicily)!
