

PADI Search and Recovery Diver

Something that is lost in the ocean often seems lost forever. With this course you will learn how to search for and recover objects that are lost beneath the surface of the water. Join a *PADI Search and Recovery course* with **Evasioni Blu Diving Ustica - Palermo (Sicily)**.

PADI Search and Recovery Diver Program

What you will learn during your PADI Search and Recovery course

- Planning, organization and techniques for search and **recovery dives**
- How to manage the potential problems of search and recovery dives
- How to find large and small objects using different search methods and paths
- How to use a lift bag

The PADI Search and Recovery course is divided into two main parts:

1. Knowledge development (individual and classroom study).
2. Four dives in open water to put into practice research and underwater recovery skills.

PADI Search and Recovery Diver Prerequisites

- (Junior) Advanced Open Water Diver or (Junior) Open Water Divers PADI certified Underwater Navigator
- Minimum age 12 years

Credit/Certification PADI Search and Recovery Diver

By completing your course you will receive your **PADI Search and Recovery specialty certification**. **This certification** can be credited as an adventure dive for your *PADI Adventure Diver* or *PADI Advanced Open Water Diver* course.

Learning has never been easier!

Sign up for the Search and Recovery E-learning course, to have immediate access to the manual and to the videos intergrated in a single guide for online learning, or contact us to sign up directly at *Evasioni Blu Diving Resort* in *Ustica* and *Isola delle Femmine (Palermo, Sicily)*.
