Become the diver that everyone would like to follow and make sure that your sense of orientation while diving becomes "legendary". Sign up for a ***PADI Underwater Navigator course*** with **Evasioni Blu Diving Ustica - Palermo (Sicily)**.

PADI Underwater Navigator Program

What you will learn during your PADI Underwater Navigator course:

- Navigation patterns
- Natural navigation and compass navigation
- Methods for estimating underwater distances
- How to mark and find a place underwater from the surface
- The realization of an underwater map

The PADI Underwater Navigator course is divided into two main parts:

1. Knowledge development (individual and classroom study)
2. Three dives in open water to practice the skills of an underwater navigator

PADI Underwater Navigator Prerequisites
