PADI Re-Activate

Are you a certified diver but haven't been diving for a while? It may be helpful to review your diving knowledge and skills by following a ***PADI ReActivate*** program with **Evasioni Blu Diving Ustica - Palermo (Sicily)**.

PADI ReActivate Program

The PADI ReActivate program offers an individual review of the theoretical **knowledge of diving and scuba diving** skills with one of our PADI professionals. During the practical session in the water we help you to regain your confidence, your control of your skills and your comfort during the dive.

PADI ReActivate Prerequisites

(Junior) Scuba Diver.

Credit/Certification PADI ReActivate

By completing your PADI ReActivate program successfully you receive a **PADI replacement certification** with the new date of completion of the PADI ReActivate program.
