

PADI Master Scuba Diver Trainer

The next step after becoming a *PADI Open Water Scuba Instructor*? Gain experience by starting to teach *PADI courses* to your students and broaden your horizons by taking *PADI Specialty Instructor* courses. The *PADI Master Scuba Diver Trainer* is a level of certification that shows that you have certified at least 25 PADI divers and that you can teach 5 different PADI Specialties. How to get this instructor degree? Follow your Master Scuba Diver Trainer internship in the beautiful *Marine Protected Area* of *Ustica* with Evasioni Blu Diving!

PADI Master Scuba Diver Trainer Program

The PADI Master Scuba Diver Trainer stage we offer you:

- 5 PADI Instructor Specialty courses
- Teaching of 25 PADI courses and certification of 25 students
- All the support and help you need from our Team Evasioni Blu Diving staff
- 2-month internship where you immerse yourself completely in the daily life of the diving centre

PADI Master Scuba Diver Trainer Prerequisites

To enroll for a PADI Master Scuba Diver Trainer you need to be a *PADI Open Water Scuba Instructor (OWSI)*.

Credit/Certification PADI Instructor Specialty

By completing the course, you will receive your PADI Master Scuba Diver Trainer certification, which allows you to teach your students up to the Master Scuba Diver, the highest level for a recreational diver. The PADI Master Scuba Diver Trainer is the certification requirement to become a PADI IDC Staff Instructor or Tec Instructor.
